Lead by Chantel Martin.

#### **Poetry Writing**

Taking Your Story and Giving it to Others: A Writing Workshop with Andre Prefontaine. Poetry is a fearless confrontation with oneself. This workshop's goal is not to enable a single piece of writing to stand strong, instead it is for the writer to feel capable throughout their journey. Lead by Andre Prefontaine.

Thursday, May 5 at the Central Branch in the Kennedy Room from 4 to 6 PM.

#### **Special Effects Makeup**

This workshop will be teaching a range of techniques for stage and film special effects. Blood, guts, wounds, and prosthetics will be covered in this workshop with a hands on approach to learning. Lead by Joey Hinds.

Thursday, May 5 at the Central Branch in the Wilson Room from 5:30 to 7 PM.

### **Vocal (Masterclass)**

Musical theatre is a coming together of two things: music and theatre. Often, singers get too encumbered by the notes on the page or the sound of their voice and forget that they are a character woven into a plot. This workshop will focus on the technical aspects of producing the voice in order to serve the text and “tell the story.” Lead by Tim Stiff.

Saturday, May 7 at the Central Branch in the Wilson Room from 11 AM to 1 PM.

### **KFPL Youth Shorts**

Presented by KFPL Central Branch Teen Advisory Group. A Film festival to showcase short films made by local teenagers. The Teen Advisory Group has been hard at work learning about and creating films with Curious You, a Kingston-based production company. This process will culminate in a screening on Tuesday, May 3<sup>rd</sup>. The film festival is open to submissions!

Tuesday, May 3 at the Central Branch from 5 to 7 PM. Doors open at 5 PM and screenings will begin at 6 PM. For teens and adults. This is a drop in program.
