

## Repair It! with Repair Café Kingston

### Opportunity

Are you a local who enjoys fixing broken lamps, stuffed animals, or other home goods? Can you help other locals build their skills and save a record player from the landfill?

The Kingston Frontenac Public Library and Repair Café Kingston are looking for volunteers who are willing to coach other people on how to repair their broken items.

Meetings are held monthly on Saturdays from 2:00 pm to 4:00 pm at the Central Branch (130 Johnson Street, Kingston, ON). This is a drop-in program.

Please check the KFPL event calendar for dates: <https://calendar.kfpl.ca/events>.

### Role and Responsibilities

You will get to meet new people, give back to your community, and develop your skills as a leader.

As a volunteer, you will:

- Use your skills to repair items
- Make recommendations for repairs that cannot be completed onsite
- Provide a positive learning experience for patrons

Volunteers will be required to complete a Vulnerable Sector check with the Kingston Police and will be reimbursed for the cost. Please connect with the program coordinator prior to applying for a check.

### Application

Please email [repair-program@kfpl.ca](mailto:repair-program@kfpl.ca) with a short description of your experience with repairs and any special skills/interests (electrical, woodworking, textiles, etc.).
