

Volunteer Opportunity - Driver

Are you interested in volunteering to help people who share your passion for reading but can't get to a library branch?

The Kingston Frontenac Public Library (KFPL) has an opportunity for volunteer drivers in the Kingston area. As a volunteer driver, once a month you would be delivering library materials to patrons who are housebound. Our service is operated out of the Central Branch and for a few hours a month volunteers donate their time and personal vehicle to deliver to those patrons who are approved for the delivery service.

If you are interested in participating in this valued community service, please contact Shelagh Quigley, Director, Human Resources: by email at squigley@kfpl.ca or phone 613-549-8888 ext. 3515, by April 12, 2021.

Volunteer drivers are responsible for their own vehicle insurance, must have a safe driving record and a Criminal Record Check (Vulnerable Sector) is required for our volunteers. KFPL provides mileage reimbursement to volunteer drivers.
