Get one-on-one help with your genealogical research

Whether you are trying to branch out on your family tree, digging for details on a dead-end ancestor, or otherwise in need of genealogical research help, KFPL's Local History and Heritage Librarian Anne Hall is here to help!

Schedule a 30-minute Zoom meeting with Hall to discuss your genealogical research, one-on-one. Get tips and suggestions to take your family tree to the next level.

"Please prepare your question in advance and email it to me a week before your session — thirty minutes will fly past," Hall reminded.

A KFPL card is required to register. If you don't have one, you can sign up for a membership online at <https://register.kfpl.ca>. Registrants will be mailed the link immediately upon registration and will require the latest version of Zoom.

With limited space, please register for one session per person. Register online at one of the following links, or phone 613-549-8888.
