FOR RELEASE MAY 3, 2022

Repair It! returns to KFPL's Central Branch

Keep your broken items out of the landfill with the Kingston Frontenac Public Library and Repair Café Kingston. Our *Repair It!* program continues at the Central Branch, May 14 and June 11.

Meet with expert volunteer fixers and learn how to fix things. Drop in from 11 a.m. to 1 p.m. with your items in need of repair (nothing that uses petroleum, please). Please note that all KFPL indoor programs require masks for people over age two.

"Our fixers are looking forward to welcoming people back for our second in-person Repair It! session. We are excited to have new projects to work on," said Kristen Lemay, Teen and New Adult Services Librarian.

Interested in learning new skills and chatting with fixers? You are welcome to join an event, even if you don't have anything to be fixed for that session.
