FOR RELEASE NOVEMBER 10, 2023

Stay safe with rescheduled KFPL, Rotary presentation on fraud awareness and prevention

In today's rapidly changing world, staying informed about the evolving landscape of fraud is crucial. Ensure you are empowered and ready to outsmart fraud with the guidance of the Rotary Club of Kingston and the Kingston Frontenac Public Library (KFPL)'s upcoming fraud awareness and prevention session.

This session has been rescheduled to December 7 from an earlier planned October event. It will provide a comprehensive understanding of fraud tactics and equip you with the expertise to thwart deceptive schemes targeting personal security and financial stability.

"Don't be caught off guard by fraud—join the Rotary Club and KFPL in building a community that's informed and prepared," said Jake Miller, Librarian, Adult Programming. "By attending this event, you will be equipped to recognize fraudulent attempts from all angles, from identifying potential scams over the phone to recognizing deception in person and online. You can actively engage and ask questions, ensuring you leave with a strong foundation in fraud prevention strategies."

The workshop will take place on Thursday, December 7, at 6:30 p.m. at the Central Branch. Registration is required and can be completed at <https://calendar.kfpl.ca/event/9440641>.
