An afternoon of musical delight: Nancy Kopman comes to KFPL

Get ready for an unforgettable day of musical magic with Nancy Kopman and the Kingston Frontenac Public Library (KFPL)! Families are in for a treat as Kopman brings her interactive music and movement program to life.

Kopman's live performance [is scheduled for Saturday, November 11](#), from 2-2:40 p.m. at the Calvin Park Branch. This event promises a fantastic experience for children of all ages.

No stranger to families and educators worldwide, Kopman's songs and videos have been streamed and viewed by millions. She is the musical genius behind the opening theme for TVOKids' *Canada Crew*, making learning the provinces and territories as easy as singing a catchy tune.

Now, she's here to bring that same energy and excitement to the library.

"It's not just about fun; it's about learning, too," said Brienne Peters, Librarian, Children's Services. "Research shows music promotes language, listening, memory and motor skills. Songs introduce new words, often ones that rhyme or repeat, which makes them easy to learn."

This event is made possible by the generous support of the Friends of the Kingston Frontenac Public Library.
