Fun and learning in Sharbot Lake: StoryWalk® with Kingston Frontenac Public Library

Looking for a fun and educational activity this summer? Explore Oso Beach in Sharbot Lake while enjoying a story. Kingston Frontenac Public Library is hosting a StoryWalk® event in Sharbot Lake, offering family fun and learning while encouraging physical activity.

On Saturday, July 8, from 10 a.m. to noon, families can enjoy a leisurely walk along the beach while reading pages from the bilingual picture book *Treasure* by Mireille Messier. While families make their way through the pages, library staff will be on hand to guide visitors through related activities, making for a fun and engaging experience for everyone. Remember to snap some photos along the way and share them online using the hashtag #KFPLStoryWalk!

"The StoryWalk® program has been a huge success, and we're excited to bring it to Oso Beach," said Brianne Peters, Librarian, Children's Services. "We encourage everyone to come out and spend time in this beautiful outdoor setting."

This event is sponsored by the Friends of the Kingston Frontenac Public Library.

The StoryWalk® Project was created by Anne Ferguson of Montpelier, Vermont, and developed in collaboration with the Vermont Bicycle and Pedestrian Coalition and the Kellogg Hubbard Library.
